

What support will your student need to have an adequate Personal Safety Net in place for when they are away at college and the unexpected turns up in her/his life? Most often you can't be available in person, and answers on the phone may not be enough. Parents and students should sit down and discuss the many corners of their safety net that will have to be supported once they leave their home. This is the first in a series of articles to help you get started - now, before they leave.
