

No matter what your age – it's never too late to take a college course – one that truly interests you (not one that's required). And the great news is that you can take any of 8,000 college courses at the very best universities, with professors handpicked for their good teaching, at the time and place of your choice—FREE! Thanks to the generosity of the William and Flora Hewlett Foundation and the Andrew W. Mellon Foundation, and the work of the OpenCourseWare Consortium of universities worldwide, you can get the same courses others are paying \$5,000 for right in the comfort of your living room. We offer you the information you'll need and some tips you'll need to get you started.
